## New Technical Use Tips Help Roundup QuikPRO® Go Where Mechanical Trimmers Can't

Roundup QuikPRO® outperforms generic herbicides by sending weed-killing power directly to the roots and delivering visible results within 24 hours. Learn how to best apply Roundup QuikPRO® across your industrial, turf and ornamental landscapes, including hard-to-reach areas like sidewalk cracks and around sign posts.

Review the technical use tips on mixing and spraying on the [Roundup QuikPRO application page](#).

Roundup® brand IT&O products are the only herbicides to provide 24-hour hotline support from the most experienced specialists in the industry. For support, contact your [regional IT&O representative](#).

MRoundup Technology® includes Monsanto's glyphosate-based herbicide technologies. Individual results may vary, and performance may vary from location to location and from year to year. This result may not be an indicator of results you may obtain as local growing soil and weather conditions may vary. Growers should evaluate data from multiple locations and years whenever possible.

ALWAYS READ AND FOLLOW PESTICIDE LABEL DIRECTIONS. Roundup QuikPRO®, Roundup Technology®, Roundup® and TRUEBLUE ADVANTAGE PROVEN RELIABLE SUPPORTED and Design™ are trademarks of Monsanto Technology LLC. All other
